Please complete and return this form to Putnam Investments. The information provided on this form will override your current designations.

Your signature in Section 4 must be either notarized or validated with a Signature Validation Program (SVP) stamp.

Important:

- All pages of this form must be completed and returned in order for the beneficiary designation(s) to be accepted. **If any page of this form is not returned, your current beneficiary designations will not be changed.**
- If both the primary and contingent beneficiary designation pages are left blank, your current beneficiary designations will be **revoked**.
- If the contingent beneficiary designation page is left blank, any current contingent beneficiary designations will be **revoked**.
- If you are changing one or more, but not all, beneficiaries, you must redesignate all beneficiaries you wish to remain on your account. If you fail to redesignate any of your existing beneficiaries, they will be **revoked**.

If you do not have a designated beneficiary or none of your designated beneficiaries survive you, your account will be distributed as follows:

- For Beneficiary registrations, your account will be distributed to your estate
- For all other IRA registrations, your account will be distributed according to the provisions of the IRA Plans and Disclosure Statements
- For all other 403(b) registrations, your account will be distributed according to the provisions of the 403(b) Custodial Account Agreement

The following restrictions may apply:

- You cannot designate a contingent beneficiary in Section 3B unless you have also designated a primary beneficiary in Section 3A of this form (even if the primary beneficiary on file is not changing).
- PFTC generally cannot accept beneficiary designations from attorneys-in-fact, conservators, or guardians. Please contact Putnam Investments for additional requirements.
- PFTC will not accept beneficiary designations from a parent/guardian on a minor's behalf.
- PFTC will not accept customized beneficiary designations (for example, designations which involve multiple contingencies within a primary or contingent beneficiary category) or "per stirpes" designations. All beneficiaries must be designated as either primary or contingent and must include all identifying information (full name, Social Security/Tax ID number, date of birth/date of trust, and allocated percentage).
- The Putnam funds will not accept new accounts for non-U.S. residents. If the beneficiary is not a U.S. resident at the time of the retirement account owner's death, the assets will be redeemed in full immediately following the transfer.
- This form cannot be used to designate beneficiaries on a nonretirement account. If you wish to designate a beneficiary on a non-retirement account, please contact Putnam Investments for the appropriate form and requirements.

Beneficiary designation checklist:

- Did you provide the full name, Social Security / Tax ID number, and date of birth/date of trust for each beneficiary?
 - If any required information is missing the designation cannot be accepted.
- Do your allocations equal 100%?

Important: Primary designations must be listed in Section 3A. Contingent beneficiary designations must be listed in Section 3B. Do not list both primary and contingent beneficiary designations on the same page. If you wish to designate more than five primary beneficiaries and/or more than five contingent beneficiaries, you must include a separate sheet of paper with the additional designation. The separate sheet of paper must indicate whether the designation is for a primary or contingent beneficiary, include all required beneficiary information (full name, Social Security/Tax ID number, date of birth/date of trust, and allocated percentage). **The separate sheet of paper must be signed, dated, and authenticated with a notary or SVP stamp.**

- Did you sign the form in Section 4 and obtain a signature authentication stamp?
 - Your signature and an authentication stamp are required. Please refer to the Signature authentication guidelines document (FM523A) for a list of acceptable authentication stamps.
- Did you return all pages of the form?
 - If any page of this form is not returned, your current beneficiary designations will not be changed.
